for the nearly three millennia since its creation the iliad s real story has gone undiscovered homer a blind poet as antiquity believed him to be created a powerful war story which must have enthralled his listening audiences but this story concealed another one far grander in design and immensely more clever in execution which can be discovered only by careful examination of the written text living in an age where literacy was minimal homer created this story for the gods and undoubtedly never expected any mortal to understand it homer s imaginative fantasy radically undermines traditional trojan war mythology and exposes the speciousness of war s glory the folly of the warriors who supposedly fight for it and the amorality of the gods who help them do so homer s great war poem great indeed war poem indeed is in its depths antiwar in piecing together the iliad s web of secret plans deeply hidden motives and subtle lies and deceptions and in the process identifying and discarding post homeric corruptions to the text we will find an

iliad which is not a prelude to achilles glorious early death and the fall of troy but the opposite in a concealed ending towards which the entire story has been leading homer s own words will tell us how achilles as supplicated by priam chooses a long life without renown and goes home the greek army unwilling to fight without its greatest warrior leaves also sparing peaceful holy troy zeus favorite city and best hope for mankind homer tells this story with a brilliance that is almost unimaginable until one actually encounters it the real iliad is an immense intellectual challenge and an inexhaustible source of surprises far from a formalistically heroic epic as has long been thought it is an imaginative expression of the full creative powers of western antiquity s greatest author

important american periodical dating back to 1850

includes music

an illuminating learned well written and entertaining survey of the giants of world literature busy people and especially the young will be grateful for this useful and concise introduction paul johnson not simply a grand work of reference the great books is a captivating journey through two and a half millennia of the great western tradition the eminent british philosopher anthony o hear is our capable tour guide taking readers on an exhilarating tour through 2 500 years of books as powerful thrilling erotic politically astute and awe inspiring as any modern bestseller the great books is a fascinating narrative that encompasses history myth art music theater and more o hear sweeps us along from homer s iliad to goethe s faust covering much ground in between in homer s poems of epic struggle we discover not only the fascination and pleasure we can derive but also why these works became the fountainhead of western literature from greek tragedy we feel the power of the ancient myths while from plato s death of socrates we see what may have killed off the tragic spirit in virgil s aeneid we ponder the close connections to and puzzling contrasts with homer in dante s terrifying and sublime divine comedy we encounter virgil once again this time as mentor and guide through hell and in milton s phantasmagoric paradise lost we find the christian story given epic shape and power and of course in shakespeare we experience the great dramatist s particular and incomparable genius there is much more beyond from ovid and augustine to chaucer and cervantes pascal and racine the great books is a spirited and enlightening guide to the great works of the western tradition shot through with a love of literature and the author s deeply held belief in its power to enrich and enliven everyone s world
